### WORLD BOOK DAY!

The whole school enjoyed a fantastic day celebrating the 25th annual World Book Day on Thursday 3rd March. Dressed in some impressive outfits to represent their favourite stories and characters, children had the chance to discover and share in new stories together, as well as revisiting old favourites. As a school, we all shared in reading the picture book 'Kites' by Simon Mole and Oamul Lu, exploring it in lots of different ways and demonstrating our fantastic reading skills. Keep an eye out on the school website for a fantastic recording of 'Kites', featuring children from across all year groups.

One of the highlights of the day for the school was the 'World Book Day Book Shop', where children were able to choose and buy their very own book to keep, using their World Book Day Book Token. Hopefully you have had the chance to listen to your child read their new book to you - they are stories not to miss!

Throughout the day, children from Nursery to Year 6 managed to record an incredible 37,197 minutes, made up of independent reading, shared reading, small group reading and even listening to audio books. What an achievement! I wonder whether we can log even more minutes next year...

### SAFETY NOTICE

*We are all aware that many digital devices are capable of taking photographs etc., we ask all Parents/Carers to ensure that these devices do not come into school, this includes watches that take photographs, this is for the safety of all. Please help us, help them to keep safe.*

### WHY NOT SIGN UP TO: BEEZEE BODIES:

*Beezee bodies is a new initiative to help our families get fit and eat healthy (after our long lockdown journey), this is completely free to Birmingham families, so why not take a look, sign-up and make the changes that will help you and your family.*
