Birmingham Safeguarding Children Partnership

Our first priority is your child's welfare and therefore there may be occasions when our concern about your child means that we have to consult other agencies even before we contact you as per our statutory duty. The procedures we follow have been laid down by, the Birmingham Safeguarding Children's Partnership.

Finally:

We just want to say a big 'thank you' to all of our Parents/Carers for helping to support your child's education during these challenging times.
