

SEVERNE PRIMARY SCHOOL

Dinner Money Debt Policy

September 2020

Introduction

Severne Primary School implements a strict debt policy relating to the school meal service.

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents/carers. Every parent/carer will agree that this is unacceptable and we request that all parents/carers give this policy their full support.

No parent/carer would take their child to a restaurant and expect them to be given food without paying; the same applies at school.

Free School Meals

If parents/carers believe that their children may qualify for entitlement to Free School Meals please contact the school office for more details. This allowance is a statutory right and it is important that you use it if you qualify. We will help you all we can with your application.

Payment for School Meals

Parents/Carers must pay in advance for school meals by sending cash or cheque (made payable to Birmingham City Council) in an envelope marked with your child's name, amount enclosed and days school meals are to be taken. Meals can be paid for weekly on a Monday, half termly or termly.

When Payment for School Meals Has Not Been Received

We cannot allow dinner money debts to accumulate above two weeks and therefore expect that parents owing more than this provide a packed lunch. If the weekly payment for school meals is not received by Friday of that week a letter will be sent to the parent/carer. If debt payment is not received by Friday of the second week of non-payment, the school will write to the parent/carer to inform them that meals will be suspended on Monday of the third week and that they must provide a packed lunch.

Consequences of Non Payment for School Meals

If payment of the debt is not received within seven days, the Head Teacher reserves the right to refer the debt to Birmingham City Council's debt collection department. Either Integrated Family Services Support Team or Social Services may also be informed that these parents/carers are not carrying out the responsibility of care in not providing food for their children at lunchtime. It is not the responsibility of the School to provide lunch for pupils. It is the responsibility of the parents/carers to provide a meal: either a school lunch or a packed lunch from home.

Conclusion

We hope that by implementing this Debt Policy:

- we are able to ensure parents/carers manage school dinner money effectively;
- we reduce the administration time and costs involved chasing dinner money debts,
- and at the same time ensure that all monies for children's learning is available for that purpose.
