Equality Information and Objectives

(Public sector equality duty) statement for publication

NB Previously known as: Our Commitment to Equality and Diversity Policy

Legislation: The Equality Act 2010 and The Equality Act 2010 (Specific Duties) Regulations 2011.

1. Introduction

The Governing Body of Severne Primary School is committed to the principle of equality of opportunity for all in employment and in the provision of teaching and learning. We take pride in our increasingly diverse community and all the cultural richness that it brings with it.

This statement outlines our commitment to equality and diversity. It sets out our intention to create an environment in which everyone in our school community can take full part in the social and cultural life of the school. It also sets out our commitment to promote equality and diversity among our pupils, their families and our staff.

2. Statement of Intent

The Governing Body recognises that certain groups in society have historically been disadvantaged on account of unlawful discrimination they have faced on the basis of their race, gender, disability, religion/belief, sexual orientation or age. We will put in place a range of actions to eliminate prejudice, unlawful discrimination and victimisation within the school community we serve and our workforce.

3. Our aim

We want to see a strong, sustainable and cohesive community in our school. We will continue to develop and promote policies and systems that make sure that the school community and our workforce are not unlawfully discriminated against.

Our aims are to:

- promote equality of opportunity;
- eliminate unlawful discrimination, and

- promote good relations between people from different backgrounds.

4. How will we deliver our commitment?

The Governing Body has adopted the following principles:

- we recognise the value of diversity within the community, our workforce and our student body and the contribution made by people from different backgrounds;
- we are committed to ensuring that teaching and learning meet the varied and complex needs of pupils in our care;
- we will make sure our employment is accessible to everyone and that we actively value and celebrate the wide variety of lifestyles and cultures within the community;

Our commitment is supported by a legal duty to provide learning and employment opportunities fairly, without unlawful discrimination. We believe we have a strong moral and social duty to recognise any unlawful discrimination, take steps to challenge prejudice and discrimination and promote equality.

5. Objectives

5.1 Accessible services and partnerships:

Where appropriate we will work with other organisations and local voluntary and community groups to provide teaching and learning and access to employment which promote equal opportunities to all by:

- building on good practice;
- consulting with and involving our local community;
- providing accessible information and ways for people to comment;
- carrying out equality impact assessments of new and existing policies and practices to make sure that they do not unlawfully discriminate against anyone;
- removing barriers which deny people access to our school community;
- using our powers to make sure that organisations providing services on our behalf work in line with this statement;
- promoting an environment which gives

all pupils an equal chance to learn and live free of unlawful discrimination and prejudice,

all staff to work and live free of unlawful discrimination and prejudice;

- take steps to build an inclusive and cohesive school community.

5.2 Equal and appropriate treatment in employment, training and recruitment opportunities:

We will put in place a range of actions aimed at tackling prejudice and celebrating diversity within our workforce.

This will be achieved by:

- developing a workforce which reflects the community at all levels;
- making sure that all employees understand their responsibilities under this statement;
- making sure that all employees know about their rights of protection from unlawful discrimination, harassment, bullying or victimisation;
- developing and promoting policies which give everyone equal access to employment and opportunities;
- setting performance targets so we can measure our progress.

6. Responsibilities

The Governing Body is an equal opportunities employer and provider of teaching and learning. In order to support this public commitment all staff play a key role in ensuring that provision does not give rise to unlawful discrimination of any kind and that we have a shared understanding of the relevant issues and how best to deal with them.

All employees of the Governing Body are expected to comply with our values of promoting equality and diversity and treat colleagues and others in the school community with dignity and respect at all times. This commitment must be evidenced in practice. Any behaviour that falls below these standards is unacceptable to the Governing Body and potentially constitutes misconduct.

Leaders and managers are expected to:

- be at the forefront of best practice on equalities within their respective areas;
- mainstream equalities within their respective areas;

- raise equality-related issues with their staff and senior colleagues;
- encourage leadership on equalities amongst their staff and other providers;
- train staff on equalities issues;
- consider better access for people with disabilities;
- monitor provision by contractors and other external providers;
- make guidance readily available to staff.
