

Reception Summer Term Topics

Dear Parents and Carers,

Our topics this half term are: EID, Inventions, Vesak, Vaisakhi, Nocturnal animals, Animals and habitats, Charity, Summer, Seaside, Dragon boats, The farm and Space.

We will focus on:

PRIME AREAS

Personal, Social and Emotional Development:

Being confident to try new activities and show independence, resilience, and perseverance in the face of challenge.
Explaining the reasons for rules, know right from wrong and try to behave accordingly.
Managing their own basic hygiene and personal needs, including dressing, going to the toilet, and understanding the importance of healthy food choices.
Expressing their feelings and consider the feelings of others.

Physical Development:

Gross motor skills:
Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.
Develop the overall body strength, co-ordination, balance, and agility needed to engage successfully in PE lessons. i.e., ball skills, dance, gymnastics, games
Fine motor skills:
Use a range of small tools, including scissors, paintbrushes, and cutlery.
Showing accuracy and care when drawing.
Forming letters correctly using an effective pencil grip

Communication and Language:

Using talk to help work out problems; organise thinking and activities; explain how things work and why they might happen.
Retelling a story once they have developed a deep familiarity with the text; some as exact repetition and some in their own words.
Using new vocabulary in different contexts.
Learning rhymes, poems, and songs.
Listening to and talking about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.

SPECIFIC AREAS:

Literacy:

Reading

Demonstrate an understanding of what they have read and what has been read to them.

Reading simple phrases and sentences made up of words with known letter-sound correspondences and reading some tricky words.

Re-reading books to build up their confidence in word reading, their fluency and their understanding and enjoyment.

Writing

Writing recognisable letters, most of which are correctly formed.

Spelling words by identifying the sounds and then writing the sound with letter/s.

Writing simple phrases and sentences that can be read by others.

Mathematics:

Develop a deep understanding of number to 10, including the composition of each number.

Subitising (recognise quantities without counting) up to 5.

Comparing quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity.

Exploring and representing patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

Using everyday language to talk about size, weight, capacity, position, distance, time, and money to compare quantities and objects and to solve problems.

Exploring characteristics of everyday objects and shapes and use mathematical language to describe them.

Understanding the World:

Finding out about similarities and differences between things in the past and now.

Comparing and contrasting characters from stories, including figures from the past.

Recognising that people have different beliefs and celebrate special times in different ways.

Recognising some similarities and differences between life in this country and life in other countries.

Exploring the natural world around them, making observations of animals, plants, seasons, and the changing states of matter.

Expressive Arts and Design:

Singing songs, making music, and dancing and experimenting with ways of making changes

Exploring a variety of materials, tools, and techniques, experimenting with colour, design, texture, form, and function

Representing their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories

Other Information

- Please make sure you read the parents notices situated by your child's class doors.
- Please take time to look at your child's online Tapestry Journal and send a reply if possible. If you cannot access your account, please tell a member of staff as soon as possible.
- Please check your child's book bag every week for new reading books.
- Please regularly check emails and group calls for information such as school letters, newsletters, events etc.

Next Steps in your child's learning

As explained when your child started Reception, we will be assessing your child against the Early Learning Goals (ELGs) in June. These are the learning expectations for the end of the Reception year which help prepare the children for the curriculum in year 1. Please bear in mind that some children will not reach all 17 Early Learning Goals due to a number of factors. Please do not worry if your child has not reached all the ELGs; the Year 1 teachers will be well prepared for this and will ensure children make excellent progress from whatever starting point they are at on entry to Year 1.

Transition to year 1

The Reception timetable will remain the same for first half of the summer term. During the second half of the summer term we will be preparing the children for the transition to year 1. The children will be spending more time in their base classrooms and they will be expected to participate in teacher directed activities, as a whole class, for short periods of time. The children will still have the opportunity to choose their own activities during free-flow time and they will have daily access to the outdoor classroom.

If you have any queries, please do not hesitate to speak to us.

We are looking forward to having a productive and enjoyable term with you and your child.

The Reception Team

Mr Fortey, Miss Leach, Mrs Corbett and Mrs Flynn
