

Year 3 Summer Topics

Respect • Succeed • Celebrate

READING

This term we are going to be reading 'Charlie and the Chocolate Factory' by Roald Dahl.

WRITING

We will start the term by writing a set of instructions linked to the characters in our book. We will continue to develop our story writing skills and develop descriptive language.

MATHS

We will continue to develop the children's understanding of fractions including adding and subtracting fractions.

We will move on to studying money before looking at topics such as shape and time.

$$\frac{3}{5} - \frac{4}{7}$$

SCIENCE

We will be learning about Plants: what they need to grow, how water moves through a plant and the life cycle.

Then, we shall be investigating Rocks and how they are formed.

R.E.

We will look at Being Open, Honest and Truthful moving onto Being Courageous and Confident. We will study a variety of stories from different faiths as well as looking at different beliefs that these faiths have.

P.S.H.E

Our focus this term is Health and Wellbeing. We will explore health choices and habits, personal strengths and managing setbacks and safety in the local environment and unfamiliar places.

P.E.

3K will have swimming lessons every **Monday** until May half term
3H will have PE every **Tuesday** until May half term and then the classes will swap over

ACROSS THE CURRICULUM

In Geography we will be learning about the country Brazil.

In History we will be learning about canals. We will continue to play the recorder in Music.
