Parents' Evenings

As we reach the end of another busy and successful week, I would like to thank all parents and carers who attended our recent Parents' Evenings. It was wonderful to see so many families in school celebrating children's achievements and discussing their next steps in learning.

If you were unable to attend, please contact your child's class teacher who will be happy to arrange a convenient time to meet with you.

Values Award Winner

This week's Values Seeker Award goes to Musa in 6H.

Musa has been recognised for the excellent contributions he makes to our School Council, demonstrating responsibility, commitment and a genuine desire to make our school even better.

Well done, Musa!

Times Tables Rock Stars

Our Times Tables Rock Stars continue to impress me every week! I have seen fantastic resilience and determination from children striving to "go green" and improve their fluency. Their perseverance is exactly what helps children become successful learners. Thank you also to parents for supporting this practice at home.

Curriculum Spotlight

I have had the pleasure of seeing some absolutely fabulous writing this week, particularly in Year 2 and Year 5.

The children's creativity, vocabulary choices and pride in their work have been a joy to see. Well done to all of our young authors!

Great writing!

Attendance Champions

A huge congratulations to this week's highest-attending classes:

1 2T – 99.5%

2 4S – 98.8%

3 Nursery – 97.7%

★ 6H – 97%

Excellent attendance helps children make the most of every learning opportunity. Thank you for your continued support in ensuring children arrive at school every day and on time.

Parent Governor Vacancy

We are currently seeking a Parent Governor to join our governing body.

This is a fantastic opportunity to play an active role in the strategic development of the school and help shape its future.

If you are interested, or would simply like to find out more about what the role involves, please speak to Mrs Mitchell.

Exciting Developments in Early Years

We are delighted to be working alongside Early Excellence as we continue to develop our Early Years environment and enhance the opportunities available for our youngest learners.

This is an exciting journey for the school and one that will further strengthen the provision we can offer children from the very start of their education.

Early Years Open Day

Thursday 18th October

🕒 9:00am | 2:00pm

Come along to:

- ✓ Meet our Early Years team
- ✓ See the learning environment in action
- ✓ Find out more about our provision
- ✓ Ask any questions you may have

If you would like to attend, please contact the school office.

Nursery Provision

Don't forget that our Nursery children can now attend every day if families prefer.

We also offer the option to purchase extended hours for children who are not entitled to 30 hours funding, providing a flexible and affordable childcare solution that is significantly cheaper than many private nursery settings.

If you would like further information, please speak to a member of the office team.

♥ Thank You

Thank you for your continued support. It is wonderful to see our children demonstrating resilience, determination and pride in their learning every day.

I hope you all have a lovely weekend and I look forward to welcoming everyone back next week.
