Severne Primary School Newsletter Monday 13th July 2020

It must have been very strange for you when teachers said goodbye to you and your children back in March. We were all very sad and worried about when we would be able to welcome you back to our school again.

Following Government Guidelines, we will be very happy to welcome all children back to school in September and we will keep you up-dated ([via email](#)) as to when your child/children will be expected to return to us. The corridors and the classrooms will look a little different, but Mr Hopkins and the teachers will look the same.

We have been very busy, planning lessons, up-dating our website to help with on-line learning and distributing many learning packs during the lockdown period due to the Coronavirus Pandemic. We have sent emails and Groupcall messages to keep you informed and updated as much as possible during these difficult times.

We hope that many of you have been able to access our website and have found the lessons useful, however we are aware that some of our children have not been able to access these and have produced the learning packs to help. There is a little questionnaire at the end of this letter to help us find out how you have got on.

During the lock down, we are aware that there have been many joyous occasions that have been celebrated, birthdays, religious celebrations and the arrival of new born babies into some of our families, but we are also aware that there may have been changes within our families including the loss of loved ones.

We ask you to let us know of any changes that have taken place within your family, please contact us by phone: 706 2743 or email : enquiry@severne.bham.sch.uk as this will help us support your child when they return to school, we will answer your concerns and try to support you as much as possible.

We will be sending up-dates on school openings so please make: sure that you check your emails regularly

MR.P.J. HOPKINS

(HEADTEACHER)
