

Looking After Yourself

When you are told to, make sure you wash your hands with soap and water, for 20 seconds.

Use a tissue to catch coughs and sneezes, using 'catch it, bin it, kill it', then wash your hands straight away.

Avoid touching your mouth, nose and eyes with your hands.

If you are feeling unwell in any way, tell an adult straight away.

Do not share your school equipment, drinks bottles or food with anyone else.

Always keep your hands, feet, objects and bodily fluids to yourself.

When using the toilet, always follow instructions about washing your hands and moving around school.

Moving Around School

Stay within your class group at all times.

Follow instructions to safely move around the school, as well as at the start and the end of the day.

Stay in the space your class have been given.

Do not use any toys or equipment in the playground.

At Home and at School

Always try your best on work you have been set, whether in school or at home.
